THE HOLIDAYS COLLECTION

6 Barnett Street Vincentia NSW

4 2 3

6 Barnett Street will definitely surprise you! The home is a perfect example of how timeless good design and construction can be. This architect designed home is blessed with plenty of natural light, a private entertaining deck, good sized rooms, built in robes, numerous storage options, open plan living areas and much more! The house was also master built with quality brickwork, timbers and finishes. And because the home has only been used privately, it is in immaculate condition with no visible wear and tear whatsoever!

The ground floor and main living area has three bedrooms, an open plan kitchen / dining / lounge room, a fantastic entertaining deck that catches the morning sun, internal laundry and shared bathroom - all as per the floor plan.
