## ST GEORGES BASIN

3  2  4 

Privately hidden from the outside world this unique property offers comfortable living with 40 acres of space, peace & a bright northerly aspect that takes full advantage of the natural warmth & sunlight.

\* This luxury timber cabin offers 2 huge upstairs bedrooms plus a loft area that could easily be converted into a 3rd bedroom.

\* Spacious main bedroom has its own private balcony that has a peaceful bushy outlook.

\* Downstairs has a modern design with an open floor plan that creates a natural outdoors feeling by combining the 2 areas.

\* Around 3.5 acres of immaculately maintained gardens and lush green lawns surround the main residence.

\* There are 4 dams that could be used for irrigation & 3 water tanks for domestic use.
