Vintage Rose or 4 Rose Street, Hyams Beach is an immaculate, perfectly maintained beach house, with a well established holiday rental income. It is located in the northwest corner of Hyams Beach - increasingly sought after as the quietest, most tranquil pocket of the village due to National Park across the road and very little through traffic.

Land Size : 651 sqm

The house is configured over two levels, as follows:

Upstairs - has a balcony at the front door, a sun room that is currently configured with a single bed and a dining table, a lovely open plan lounge and kitchen area, a master bedroom, a second . bunk room, and a shared bathroom. Because of the clever use of the sun room for an extra single bed, upstairs currently sleeps 5.
