

THE HOLIDAYS COLLECTION

128 Elizabeth Drive Vincentia NSW

4 3 2

128 Elizabeth Drive is a contemporary, newly built home, with direct access to the Vincentia - Huskisson cycle path and Collingwood Beach. Constructed in 2019, this 4 brm home has been very thoughtfully designed and master built - with everything you could wish for!

There is also DA approval for a roof top terrace and provision for an internal elevator. The next door strata unit has already installed the roof top terrace and spiral stair case access, which can be seen when inspection this property.

The home is beautifully furnished, equipped and decorated, and subject to negotiation, there will be the option for buyers to purchase this property on an "as is" basis, minus certain personal items.
