

THE HOLIDAYS COLLECTION

29 Cyrus Street Hyams Beach NSW

3 2 3

29 Cyrus offers a rare opportunity to buy a beautifully styled waterfront property on the prime Cyrus Street strip. The house is a private weekender and holiday rental property, commanding a nightly rate of \$1,200.

When you step inside you will be pleasantly surprised by the look and feel of this property. It oozes relaxation, comfort and classic beach house style - true to the photos!

The house has three bedrooms (including an ocean facing master bedroom), two bathrooms, a light filled kitchen, front deck, and large, double living areas. There is also potential to convert the large double lock up garage into a studio, games room, or sleep out, as the house has undercover, car port style parking already.

29 Cyrus is located within easy walking distance of either
